Important changes in the present school laws of Kentucky are contained in a bill which is to be presented to the Legislature at its next session. The new bill was prepared by the Kentucky Educational Commission and replaces the present State Board of Education and provides for general supervision of finances and the preparation of examination questions. The State Superintendent of Public Instruction is given much larger powers. As to the County Superintendents, the bill will provide that they must devote their whole time to their duties and their salaries are to be increased.

The melancholy days are come, the saddest of the year,
Of waiting winds, and naked woods, and meadows brown
and dead.
Heap'd in the hollows of the grove the withered leaves
lie dead;
They rustle to the eddying gust and to the rabbit's tread.

Say, Hunters, can't you just fairly FEEL that wind and see the rabbit scurrying over the fields? It's a little too early yet, but now's a good time to get your

Gun and Shells, Hunting Coats and Leggings.

We have a swell and nobby line this year, complete in every detail, and can fit you out. Come and see.

Mr. Farmer, now's the time to think about the winter's wants. What about a

ENGAGEMENT ANNOUNCED

A Former Maysville Lady Shortly to Wed at Lexington

The following from today's issue of The Lexington Herald will be of much interest in Maysville, the former home of the bride-elect: "Announcements of the engagement of Mr. Benjamin F. Scherffus, who has been connected with the Kentucky Experimental Station for several years, and Miss Lillie Mae Wardle, daughter of Mrs. Belle Wardle of this city, have been received by friends and relatives. "The marriage will take place at the home of the bride's mother, 117 Hagerman Court, November 10th.

"Mr. Scherffus graduated at State University in June, 1907, with the Degree of Bachelor of Agriculture. Since his graduation and for some time previous he has been in the employ of the Kentucky Experimental Station. He now holds the position of State Food Inspector. He came to Lexington from Graves county, where his parents reside. Mr. Scherffus is a brother of W. H. Scherffus, formerly Argomist at the Experiment Station, now in South Africa in charge of a station which is experimenting and teaching tobacco culture under the supervision and direction of the British Government.

"The bride-to-be is a beautiful and attractive young girl and has a host of friends."

Telephone Operator in Court Shows How She Captured Insulter at Pistol Point

Commercial Tribune.

James Vice, the man who attempted to attack Alma Clark, the telephone operator of the Fort Thomas Exchange, last Friday noon as she was coming along the River road from her home near Brent, Ky., and was marched to police headquarters at the point of a revolver by the young woman, was given a heavy sentence by Magistrate Quehl.

When he was arraigned in Court Miss Clark appeared against the man and gave an illustration of what took place and how she marched him to police headquarters and caused his arrest. Vice had no Attorney and threw himself upon the mercy of the Court, whereupon Magistrate Quehl fined him \$100 and sentenced him to Jail for fifty days, which in all will give him 155 days of labor in the Newport Workhouse.

It developed at the trial that Vice lives in Maysville, Ky., and that he had been hoboing through the country.

Mrs. RUSSELL SAGE wants to vote. A suffragette with \$80,000,000 is enough to make the public sit up and take notice.

DAUGHERTY—GUNN.

The marriage yesterday afternoon at 2 o'clock, at the home of the bride in East Second street, of Mr. Samuel F. Daugherty and Miss Minnie Gunn was a quiet affair, owing to the recent death of the bride's mother, only the immediate relatives and a few intimate friends of the contracting parties being present.

The ceremony was performed in an impressive and beautiful manner by Rev. W. W. Akers, Pastor of the Central Presbyterian Church, of which denomination the groom is a member.

The nuptials of this popular young couple is the consummation of a long and delightful courtship, in which the happy twain have looked forward with joyous anticipation of a wedded life filled with unalloyed bliss.

The groom is the only son of Mr. and Mrs. H. M. Daugherty, and is a manly man, as well as being courteous and handsome. The bride is a most charming and beautiful young lady, and is universally esteemed for her many excellent qualities of head and heart.

The happy couple left on the 3:17 C. and O. train on a bridal tour, including Columbus, O., and other points. On their return they will

be "At Home" in apartments at the residence of Mr. and Mrs. Frank Burgoyne in East Second street.

THE LEDGER joins their many friends in extending happy felicitations.

EULET—FITE.

Mr. John Eulet, aged 28, and Miss Nancy Fite, aged 21, both of Lewis county, were married last night in the County Clerk's office. This was a wedding out of the ordinary, inasmuch as the blushing bride presented herself with a young baby in arms, and while Judge C. D. Newell was acting the part of a Good Samaritan in joining the two in holy wedlock County Clerk C. L. Wood was acting the part of wet-nurse in dawning and soothing the babe to hush its lusty voice.

BUTLER—RYAN.

Mr. Andrew Butler, aged 45, and Miss Julia Ryan, aged 45, both of Mason county, will wed today at the Catholic Church in Mayslick.

Our Colored Citizens.

The anniversary service at Scott's M. E. Church is growing in interest. Last night Rev. J. E. Reed delivered a soul-stirring address to a good audience. Tonight Rev. W. H. Riley, ex-Pastor, from Lexington, Ky., will address us and the class leaders will hold their anniversary. Special music. All welcome.

WASTE, waste, waste! Our natural resources are being destroyed by the wanton hand of man. We may find it right here at home. Going from Maysville to Dover the other day, we noticed thousands of old railroad ties being burned and destroyed just to get them out of the way so that the bay-windowed magnates won't see them when the annual inspection takes place next week. Every year the C. and O. destroys along its route old ties enough to keep a thousand families in fuel all winter. What's the diff, just so the dividends are piling up and the magnates are rolling in the financial fat and in upholstered palace cars?

Rev. Thomas P. Degman returned last night from Claysville, Harrison county, where he reports he held profitable and enjoyable services at the Christian Church.

Mr. Jacob Walker is a candidate for Constable in the Washington Magisterial District No. 5, and solicits your kind support. He is in every way qualified to discharge the duties of the office faithfully and to the satisfaction of the voters.

JUDGE COCHRAN MAY GET LURTON'S PLACE

Latter is Tipped to Succeed Justice Peckham of the U. S. Supreme Court

FRANKFORT, Ky., October 25th.—Speculation has already begun as to who will be the successor of Justice Peckham on the Supreme Court Bench and some of the Frankfort politicians who seem to know something about the leanings of President Taft, have figured out what will likely be done.

They say that Judge Lurton will be Peckham's successor and that Judge Cochran will succeed Lurton on the Circuit Bench. The warm personal friendship existing between Judge Lurton and the President will insure Lurton's appointment if he asks for it, and it is said he has always had the ambition to serve on the Supreme Bench.

If the program as mapped out does go through the principal interest will be in guessing who will succeed Judge Cochran if he succeeds Judge Lurton.

Sample Helps Frail Women

So many women are dragging out weary lives just because their digestive organs are weak. The result is poor circulation, nervousness and the verge of invalidism. It is often very unnecessary and the woman's own fault.

The first thing to do is to look to the welfare of your bowels. There the trouble usually lies. All physicians know that a large percentage of women are habitually constipated, and from this results indigestion, piles, weariness, etc., that women constantly complain of. But there is no use taking "female remedies" and things of that kind until you have started your bowels to moving. You will find that when the bowels move regularly once or twice a day all your petty ills will disappear. Take a good, mild laxative tonic like Dr. Caldwell's Syrup Pepsin for awhile and you will find yourself rapidly getting better and stronger, your bowels will regulate themselves and work at stated times, and then your headaches and dizziness will disappear. Don't take strong cathartic pills or salts, but just such a mild and pleasant-tasting remedy as Dr. Caldwell's Syrup Pepsin.

You can obtain a bottle of your druggist for fifty cents or one dollar, and either size may be enough to permanently cure you. Thousands of women keep it regularly in the house and will no longer be without it, as it cured them and can be used with safety by every member of the family, down to the youngest child, but if you have never used it take the advice of Mrs. Earl S. Cox, 409 Twenty-fifth street, Muncie, Ind., and Mrs. Ellen Dungan, Muncie, Ind., and send to Dr. Caldwell for a free trial bottle, as they did, and learn for yourself what it will do in your own case. That it will cure you, as it did them, there is no doubt.

Dr. Caldwell personally will be pleased to give you any medical advice you may desire for yourself or family pertaining to the stomach, liver or bowels absolutely free of charge. Explain your case in a letter and he will reply to you in detail. For the free sample simply send your address on a postal card or otherwise. For either request the doctor's address is Dr. W. B. Caldwell, R. 507 Caldwell building, Monticello, Ill.

For Sale by J. JAS. WOOD & SON, Druggists.

The Maysville Loose Leaf Tobacco Warehouse Company will have their first sale tomorrow at 10:30 a. m. at the warehouse, corner Forest avenue and Union street. Parties interested are invited to be present and witness this method of selling tobacco. There will be ten or twelve foreign buyers present.

Clarence Guy, a young son of Mr. and Mrs. Ira Guy of Germantown, who has been very ill with pneumonia, is much improved.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease and, therefore, requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address, F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.

In Chorus Cried, Give Us Newbro's Herpicide.

This word of late has been in everyone's mouth, and many are wondering what the word signifies, though no one has yet been found, who will deny that NEWBRO'S HERPICIDE does the work. Well, for the information of thousands of people who like to know all about a good thing, we would say that HERPICIDE means, a destroyer or killer of "Herpes." Now "Herpes" is the family name of a disease caused by various vegetable parasites. A similar microbe causes dandruff, itching scalp, and falling hair; this is the microbe that NEWBRO'S HERPICIDE promptly destroys; after which the hair grows. Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

Do You Feel This Way?

Do you feel all tired out? Do you sometimes think you just can't work away at your profession or trade any longer? Do you have a poor appetite, and lay awake at nights unable to sleep? Are your nerves all gone, and your stomach too? Has ambition to forge ahead in the world left you? If so, you might as well put a stop to your misery. You can do it if you will. Dr. Pierce's Golden Medical Discovery will make you a different individual. It will set your lazy liver to work. It will set things right in your stomach, and your appetite will come back. It will purify your blood. If there is any tendency in your family toward consumption, it will keep that dread destroyer away. Even after consumption has almost gained a foothold in the form of a lingering cough, bronchitis, or bleeding from the lungs, it will bring about a cure in 98 per cent. of all cases. It is a remedy prepared by Dr. R. V. Pierce, of Buffalo, N. Y., whose advice is given free to all who wish to write him. His great success has come from his wide experience and varied practice. Don't be wheedled by a penny-grabbing dealer into taking inferior substitutes for Dr. Pierce's medicines, recommended to be "just as good." Dr. Pierce's medicines are of known composition. Their every ingredient printed on their wrappers. Made from roots without alcohol. Contain no habit-forming drugs. World's Dispensary Medical Association, Buffalo, N. Y.

WASHINGTON, October 25th.—The Brownsville court of inquiry today decided to visit Brownsville, Texas, late in November to hear any new material facts bearing on the famous "shooting up" of that city on the night of August 13th, 1906.

St. Louis, October 25th.—A flotilla of 22 steamers conveying President Taft, Speaker Cannon and hundreds of United States Senators, Representatives, diplomats and members of the leading commercial organizations in the country, left here this evening on their long trip down the Mississippi river to New Orleans, where the Great Lakes-to-the-Gulf Deep Waterway Association will open its annual convention on November 1st.

There's No Risk If This Medicine Does Not Benefit, You Pay Nothing

A physician who made a specialty of stomach troubles, particularly dyspepsia, after years of study perfected the formula from which Rexall Dyspepsia Tablets are made.

My experience with Rexall Dyspepsia Tablets leads me to believe them to be the greatest remedy known for the relief of acute indigestion and chronic dyspepsia. Their ingredients are soothing and healing to the inflamed membranes of the stomach. They are rich in pepsin, one of the greatest digestive aids known to medicine. The relief they afford is almost immediate. Their use with persistency and regularity for a short time brings about a cessation of the pains caused by stomach disorders.

Rexall Dyspepsia Tablets will insure healthy appetite, aid digestion and promote nutrition. As evidence of my sincere faith in Rexall Dyspepsia Tablets, I ask you to try them at my risk. If they do not give you entire satisfaction, I will return you the money you paid me for them, without question or formality. They come in three sizes, prices 25 cents, 50 cents and \$1. Remember you can obtain them only at my store—The Rexall Store. Thos. J. Chenoweth.

KICKERS' CORNER

If any one at any time for any reason has any cause to "kick" in any way at anything of any kind, here's the place to say his say. The door is open—walk right in and help yourself, free gratis and for nothing—but don't make your "kicks" too long—it's the short, quick fellows that count—and cut.

The name of the kicker must accompany the kick, or it'll be kicked into the waste-basket.

Are voters allowed by law to take a sample ballot, marked by Ward-healers, into a voting booth? Are voters allowed to take a printed circular, containing names of School Board ticket, into the voting place and tell the Clerk they desire to vote that way? VOTER.

The law and the voter's conscience entirely control this question. You may take a sample ballot into the voting booth. That's what sample ballots are for. But the "Ward-heeler" should have nothing to do with your voting, and any collusion with any political outside party in any form is contrary to law and your vote could be questioned and prosecution could follow.

To the People of Maysville and Vicinity: The fall and winter trade will open up in a few days. I am prepared for it with

The Largest, Cleanest and Most Attractive Stock of Goods in My Line

Ever offered to the people of this section of the State. My store has had a general and complete overhauling and is not now surpassed, if equaled, by any store in Kentucky. My large purchases are coming in every day and are direct from the largest and most noted producers and packers of pure foods in the country; and every article I sell goes with the guarantee of the maker to conform to all the requirements of the Pure Food Law, both of State and Nation. During the season from time to time this space will contain some unusually attractive specials, and it will pay all to watch it closely. I extend a special and cordial invitation to all to visit my store. I want your trade, and if square dealing, good treatment and reasonable prices will get it I am sure of a reasonable part of it any way. I want to thank all for past favors, and assure them that I fully appreciate what they have done for me.

There has been a substantial rise in the river at Pittsburgh, due to the rains the past week.

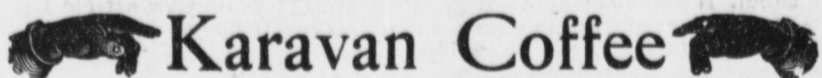

Engineer James Chamberlin of Marietta, O., died at the age of 75 years at his home last week. He was chief engineer for 15 years on the famous old Pittsburgh and Cincinnati packet Emma Graham, and was on the steamer Ben Hur nine years in the Parkersburg and Pittsburgh trade. That was his last steam-boating.

Captain Luke M. Moor of Newport has been selected to Pilot the boat that will carry President Taft and his party on their inspection trip down the Mississippi river from Cairo to New Orleans. Pilot Moor was born and reared at New Palestine, Clermont county, Ohio, and has followed the river as Pilot all his life. He learned to handle steamers under Veteran Pilot Mose Peckelheimer and has followed towboating from Cincinnati to New Orleans, and has been very successful.

THE BREAKDOWN OF MRS. TAFT.

Daisy Fitzhugh Ayers in Courier-Journal's Washington letter:

Mrs. Taft's sustained ill health is a public calamity; her break-down on the very threshold of a social administration that promised the distinction that characterized the regime of Dolly Madison and Mrs. Cleveland, a ruthless stroke of Fate, Washington's one great regret. Yet, there is many a wiseacre here who shakes his head—though it usually is a her head—and says "I told you so."

Mrs. Taft was burning the candle at both ends. Ambitious, dominant, rich in resources, eager to make her reign a record-breaker, the lovely lady, unimpaired of physical limitations, has been a reckless spendthrift in gray matter and nerve fibre. The reckoning had to come. After all, a woman is but a human being, even though she be a President's wife. Mrs. Taft's physicians promise a complete re-establishment of her health eventually. But meanwhile court circles are in a dilemma for a leader right away.

A SIMPLE QUESTION.

Maysville People Are Requested to
Honestly Answer This.

Is not the word of a representative citizen of Maysville more convincing than the doubtful utterances of people living everywhere else in the Union? Read this:

Mrs. Della Means, 328 East Front street, Maysville, Ky., says:

"About seven years ago kidney trouble made its appearance in my case, the first symptom being a sharp pain through my kidneys, accompanied by a bearing-down feeling across my hips and loins. Dull, miserable headaches soon began to bother me, and I often became so dizzy that if I did not catch hold of something I would have fallen. I continued to grow worse, until I was often confined to my bed for a week at a time. No remedy I used helped me, and I was in a bad way. Dropsical swellings appeared, and there was an almost complete retention of the kidney secretions. My body also bloated, and it would be impossible to describe the misery I endured. I had about despaired of ever being cured, when I read of a person who had been freed of a similar trouble by Doan's Kidney Pills. Deciding to try them, I procured a supply at J. J. Wood & Son's Drugstore, and I obtained so much relief from the first box that I continued taking the remedy until entirely cured. I have no hesitation in saying that Doan's Kidney Pills saved my life."

ROYAL BLUE

For Laundry Use.

Is a very high grade of Bluing and specially prepared with the utmost care. Gives clothes a bright, fresh shade, with a beautiful luster. It does in no way streak the clothes, as these cheap, inferior grades do. Many of the finest laundries throughout the country use this Bluing daily with perfect satisfaction. You will like it. One ten cent powder, put into a quart of clear fresh water, will make you as much excellent Bluing, in liquid form, as you pay 50 cents for, and of a much better quality. You can make half a pint of excellent Blue Ink by dissolving the powder in half pint of water. Prepared by
